

Ohio Revised Code

Section 5.078 State fossil fish.

Effective: March 24, 2021

Legislation: Senate Bill 123 - 133rd General Assembly

Dunkleosteus terrelli, a species of extinct arthrodire placoderm fish that lived in the seas that covered parts of Ohio during the Late Devonian period, about three hundred fifty-nine to three hundred eighty-two million years ago, is hereby adopted as the official fossil fish of the state.
