

Ohio Revised Code

Section 5.2269 Substance abuse, prescription drug abuse, overdose awareness.

Effective: September 7, 2021

Legislation: Senate Bill 30 - 134th General Assembly

(A) The month of May is designated as "Substance Abuse Awareness and Education Month." The first Friday of May is designated as "Prescription Drug Abuse Awareness and Education Day."

(B) The thirty-first day of August is designated as "Ohio Overdose Awareness Day" to raise public awareness of the epidemic and to remember the lives lost to the epidemic. On the thirty-first day of August, in recognition of Ohio Overdose Awareness Day, a state flag displayed at a state building or public institution shall be flown at half-staff from sunrise until sunset.
