

## Ohio Revised Code

### Section 125.97 Required notice on forms.

Effective: September 29, 2007

Legislation: House Bill 119 - 127th General Assembly

---

All forms used to obtain information from private business, agriculture, or local governments, except those forms used by the tax commissioner for administration of taxes and programs, shall contain a conspicuous notice on the first page setting forth the authorization for the form and stating whether providing the information sought is required or voluntary, and any penalties that apply to failure to provide the information.
