

## Ohio Revised Code

### Section 126.506 Participation in technology consolidation projects.

Effective: October 16, 2009

Legislation: House Bill 1 - 128th General Assembly

---

(A) Each state agency shall participate in information technology consolidation projects implemented by the state chief information officer under section 125.18 of the Revised Code.

(B) At the direction of and in the format specified by the director of administrative services, each state agency shall maintain a list of information technology assets possessed by the agency and associated costs related to those assets.
