

## Ohio Revised Code

### Section 167.041 Infrastructure loans.

Effective: September 29, 2015

Legislation: House Bill 64 - 131st General Assembly

---

An educational service center serving as a fiscal agent for a regional council of governments may establish a program for the council in which the fiscal agent may enter into agreements with the governing body of one or more member governments to lend money to the member or members for the purpose of improving infrastructure within the territory of the member or members located within this state.
