

## Ohio Revised Code

### Section 173.08 Resident services coordinator program.

Effective: October 16, 2009

Legislation: House Bill 1 - 128th General Assembly

---

(A) The resident services coordinator program is established in the department of aging to fund resident services coordinators. The coordinators shall provide information to low-income and special-needs tenants, including the elderly, who live in financially assisted rental housing complexes, and assist those tenants in identifying and obtaining community and program services and other benefits for which they are eligible.

(B) The resident services coordinator program fund is hereby created in the state treasury to support the resident services coordinator program established pursuant to this section. The fund consists of all moneys the department of development sets aside pursuant to division (A)(3) of section 174.02 of the Revised Code and moneys the general assembly appropriates to the fund.
