

## Ohio Revised Code

### Section 173.547 Staff requirements for assisted living program facility.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

---

A residential care facility providing services covered by the assisted living program to an individual enrolled in the program shall have staff on-site twenty-four hours each day who are able to do all of the following:

- (A) Meet the scheduled and unpredicted needs of the individuals enrolled in the assisted living program in a manner that promotes the individuals' dignity and independence;
  - (B) Provide supervision services for those individuals;
  - (C) Help keep the individuals safe and secure.
-
