

Ohio Revised Code

Section 1109.39 Additional stock investments.

Effective: January 1, 2018

Legislation: House Bill 49 - 132nd General Assembly

In addition to the specific investments authorized in this chapter, a state bank may also invest, in the aggregate, no more than ten per cent of its assets in the common or preferred stock, obligations, or other securities of any corporations, as authorized by the bank's board of directors.
