

Ohio Revised Code

Section 1302.02 Scope - certain security and other transactions excluded - UCC 2-102.

Effective: July 1, 1962

Legislation: Senate Bill 5 - 104th General Assembly

Unless the context otherwise requires, sections 1302.01 to 1302.98, inclusive, of the Revised Code, apply to transactions in goods; they do not apply to any transaction which although in the form of an unconditional contract to sell or present sale is intended to operate only as a security transaction nor do sections 1302.01 to 1302.98, inclusive, of the Revised Code impair or repeal any statute regulating sales to consumers, farmers, or other specified classes of buyers.
