

## Ohio Revised Code

### Section 1310.22 Cumulation and conflict of warranties express or implied - UCC 2A-215.

Effective: November 6, 1992

Legislation: House Bill 693 - 119th General Assembly

---

Express or implied warranties shall be construed as consistent with each other and as cumulative, but, if that construction is unreasonable, the intention of the parties determines which warranty is dominant. In ascertaining that intention, the following rules apply:

- (A) Exact or technical specifications displace an inconsistent sample or model or general language of description.
  - (B) A sample from an existing bulk displaces inconsistent general language of description.
  - (C) Express warranties displace inconsistent implied warranties other than an implied warranty of fitness for a particular purpose.
-
