

## Ohio Revised Code

### Section 1533.343 Vessel and catch monitoring devices required.

Effective: October 10, 2007

Legislation: Senate Bill 77 - 127th General Assembly

---

On and after March 1, 2008, no commercial fishing licensee shall use or engage in fishing with commercial gear unless the licensee uses vessel and catch monitoring devices in accordance with requirements and procedures established by the chief of the division of wildlife. The chief shall establish requirements and procedures concerning vessel and catch monitoring devices by division rule. A licensee shall pay the costs of purchasing, installing, and maintaining the devices.
