

Ohio Revised Code

Section 1533.352 Reciprocity.

Effective: September 27, 1974

Legislation: Senate Bill 532 - 110th General Assembly

The chief of the division of wildlife may, with the approval of the wildlife council and the attorney general, enter into agreements with the appropriate officials of one or more states, whereby the chief will issue nonresident commercial fishing licenses to residents of other party states for the fees charged Ohio residents, and Ohio residents may obtain nonresident commercial fishing licenses in other party states for the fees that are charged residents of such states.
