

Ohio Revised Code

Section 1546.17 Inspection of watercraft.

Effective: September 14, 2016

Legislation: Senate Bill 293 - 131st General Assembly

The chief of the division of parks and watercraft shall inspect all boats and watercraft maintained and operated in or upon the waters of any state reservoir, lakes, canals, and feeders, and may condemn any such boat or watercraft which is unsafe for the carrying of passengers. No owner of a boat or watercraft so condemned shall offer it for hire. If such owner violates this section, the permit issued to the owner shall be revoked and annulled.
