

Ohio Revised Code

Section 1563.31 Work to cease when working place found dangerous.

Effective: October 29, 1995

Legislation: Senate Bill 162 - 121st General Assembly

If a miner finds his place becoming dangerous, he shall at once cease work and notify the mine foreman, or other person acting for the mine foreman, of such danger and, upon leaving such place, he shall place some plain warning at the entrance thereto to warn others from entering into the danger. Such miner shall not return until ordered to do so by the mine foreman.

No person shall refuse or neglect to comply with this section.
