

Ohio Revised Code

Section 1753.16 Retroactively denying authorization.

Effective: October 1, 1998

Legislation: House Bill 361 - 122nd General Assembly

A health insuring corporation or utilization review organization that authorizes a proposed admission, treatment, or health care service by a participating provider based upon the complete and accurate submission of all necessary information relative to an eligible enrollee shall not retroactively deny this authorization if the provider renders the health care service in good faith and pursuant to the authorization and all of the terms and conditions of the provider's contract with the health insuring corporation.
