

Ohio Revised Code

Section 2113.69 Newly discovered assets.

Effective: January 13, 2012

Legislation: Senate Bill 124 - 129th General Assembly

When newly discovered assets come into the possession or under the control of an executor or administrator after the filing of the original inventory required by section 2115.02 of the Revised Code, the executor or administrator shall administer, account for, and distribute those assets in the same manner as if received prior to the filing of the inventory. Within thirty days, the executor or administrator shall file in the probate court an itemized report of those assets, with an estimate of their value, but shall not be required to make an inventory or appraisal of the assets unless ordered to do so by the court, either upon its own motion or upon the application of any interested party.
