

Ohio Revised Code

Section 2127.37 Compensation of executor, administrator, or guardian.

Effective: January 13, 2012

Legislation: Senate Bill 124 - 129th General Assembly

If an action to sell real property is prosecuted by an executor or administrator, the executor or administrator shall be allowed the compensation provided by law, by the probate court from which the executor's or administrator's letters issued. If that action is by a guardian, the guardian's duties and obligations in the action shall be considered by the court appointing the guardian in awarding the compensation that the court considers reasonable.
