

## Ohio Revised Code

### Section 2151.151 Contract for supervisory and other services for children on probation.

Effective: November 23, 1981

Legislation: House Bill 440 - 114th General Assembly

---

(A) The juvenile judge may contract with any agency, association, or organization, which may be of a public or private, or profit or nonprofit nature, or with any individual for the provision of supervisory or other services to children placed on probation who are under the custody and supervision of the juvenile court.

(B) The juvenile judges of two or more adjoining or neighboring counties may join together for purposes of contracting with any agency, association, or organization, which may be of a public or private, or profit or nonprofit nature, or with any individual for the provision of supervisory or other services to children placed on probation who are under the custody and supervision of the juvenile court of any of the counties that joins together.
