

Ohio Revised Code

Section 2505.22 Filing assignments of error.

Effective: March 17, 1987

Legislation: House Bill 412 - 116th General Assembly

In connection with an appeal of a final order, judgment, or decree of a court, assignments of error may be filed by an appellee who does not appeal, which assignments shall be passed upon by a reviewing court before the final order, judgment, or decree is reversed in whole or in part. The time within which assignments of error by an appellee may be filed shall be fixed by rule of court.
