(B) In making an award of reparations, the attorney general shall render the award against the state. The award shall be accomplished only through the following procedure, and the following procedure may be enforced by writ of mandamus directed to the appropriate official:

(1) The attorney general shall provide for payment of the claimant or providers in the amount of the award only if the amount of the award is fifty dollars or more.

(2) The expense shall be charged against all available unencumbered moneys in the fund.

(3) If sufficient unencumbered moneys do not exist in the fund, the attorney general shall make application for payment of the award out of the emergency purposes account or any other appropriation for emergencies or contingencies, and payment out of this account or other appropriation shall be authorized if there are sufficient moneys greater than the sum total of then pending emergency purposes account requests or requests for releases from the other appropriations.

(4) If sufficient moneys do not exist in the account or any other appropriation for emergencies or contingencies to pay the award, the attorney general shall request the general assembly to make an appropriation sufficient to pay the award, and no payment shall be made until the appropriation has been made. The attorney general shall make this appropriation request during the current biennium and during each succeeding biennium until a sufficient appropriation is made. If, prior to the time that an appropriation is made by the general assembly pursuant to this division, the fund has sufficient unencumbered funds to pay the award or part of the award, the available funds shall be used to pay the award or part of the award, and the appropriation request shall be amended to request only sufficient funds to pay that part of the award that is unpaid.

(C) The attorney general shall not make payment on a decision or order granting an award until all appeals have been determined and all rights to appeal exhausted, except as otherwise provided in this section. If any party to a claim for an award of reparations appeals from only a portion of an award, and a remaining portion provides for the payment of money by the state, that part of the award calling for the payment of money by the state and not a subject of the appeal shall be processed for payment as described in this section.

(D) If any unclaimed moneys that are in the reparations fund are not claimed within a period of five years, the attorney general shall use those moneys for the benefit of other victims of crime. The attorney general shall pay any part of the restitution award owed to a victim at any time to the person who has the right to the moneys upon proper certification from the clerk or other officer responsible

for the collection and distribution of restitution payments and documentation from the individual claiming such right.

(E) The attorney general shall prepare itemized bills for the costs of printing and distributing the pamphlet the attorney general prepares pursuant to section 109.42 of the Revised Code. The itemized bills shall set forth the name and address of the persons owed the amounts set forth in them.
