

Ohio Revised Code

Section 321.24 Settlement by county treasurer with county auditor - allowance of fees.

Effective: July 18, 2019

Legislation: House Bill 166 - 133rd General Assembly

(A) On or before the fifteenth day of February, in each year, the county treasurer shall settle with the county auditor for all taxes and assessments that the treasurer has collected on the general duplicate of real and public utility property at the time of making the settlement. If the county treasurer has made or will make advance payments to the several taxing districts of current year unpaid taxes under section 321.341 of the Revised Code before collecting them, the county treasurer shall take the advance payments into account for purposes of the settlement with the county auditor under this division.

(B) On or before the thirtieth day of June, in each year, the treasurer shall settle with the auditor for all advance payments of general personal and classified property taxes that the treasurer has received at the time of making the settlement.

(C) On or before the tenth day of August, in each year, the treasurer shall settle with the auditor for all taxes and assessments that the treasurer has collected on the general duplicates of real and public utility property at the time of making such settlement, not included in the preceding February settlement. If the county treasurer has made or will make advance payments to the several taxing districts of the current year delinquent taxes under section 321.341 of the Revised Code before collecting them, the county treasurer shall take the advance payments into account for purposes of the settlement with the county auditor under this division.

(D) On or before the thirty-first day of October, in each year, the treasurer shall settle with the auditor for all taxes that the treasurer has collected on the general personal and classified property duplicates, and for all advance payments of general personal and classified property taxes, not included in the preceding June settlement, that the treasurer has received at the time of making such settlement.

(E) In the event the time for the payment of taxes is extended, pursuant to section 323.17 of the

Revised Code, the date on or before which settlement for the taxes so extended must be made, as herein prescribed, shall be deemed to be extended for a like period of time. At each such settlement, the auditor shall allow to the treasurer, on the moneys received or collected and accounted for by the treasurer, the treasurer's fees, at the rate or percentage allowed by law, at a full settlement of the treasurer.

(F) Within thirty days after the day of each settlement of taxes required under divisions (A) and (C) of this section, the treasurer shall certify to the tax commissioner any adjustments that have been made to the amount certified previously pursuant to section 319.302 of the Revised Code and that the settlement has been completed. Upon receipt of such certification, the commissioner shall provide for payment to the county treasurer from the general revenue fund of an amount equal to one-half of the amount certified by the treasurer in the preceding tax year under section 319.302 of the Revised Code, less the sum of (1) one-half of the amount computed for all taxing districts in that county for the current fiscal year under section 5703.80 of the Revised Code for crediting to the property tax administration fund and (2) any reduction required by the commissioner under division (D) of section 718.83 of the Revised Code. Such payment shall be credited upon receipt to the county's undivided income tax fund, and the county auditor shall transfer to the county general fund from the amount thereof the total amount of all fees and charges which the auditor and treasurer would have been authorized to receive had such section not been in effect and that amount had been levied and collected as taxes. The county auditor shall distribute the amount remaining among the various taxing districts in the county as if it had been levied, collected, and settled as real property taxes. The amount distributed to each taxing district shall be reduced by the total of the amounts computed for the district under section 5703.80 of the Revised Code, but the reduction shall not exceed the amount that otherwise would be distributed to the taxing district under this division. The amount distributed to a taxing district shall account for any reduction required by the commissioner under division (D) of section 718.83 of the Revised Code. The tax commissioner shall make available to taxing districts such information as is sufficient for a taxing district to be able to determine the amount of the reduction in its distribution under this section.

(G)(1) Within thirty days after the day of the settlement required in division (D) of this section, the county treasurer shall notify the tax commissioner that the settlement has been completed. Upon receipt of that notification, the commissioner shall provide for payment to the county treasurer from the general revenue fund of an amount equal to the amount certified under former section 319.311 of

the Revised Code and paid in the state's fiscal year 2003 multiplied by the percentage specified in division (G)(2) of this section. The payment shall be credited upon receipt to the county's undivided income tax fund, and the county auditor shall distribute the amount thereof among the various taxing districts of the county as if it had been levied, collected, and settled as personal property taxes. The amount received by a taxing district under this division shall be apportioned among its funds in the same proportion as the current year's personal property taxes are apportioned.

(2) Payments required under division (G)(1) of this section shall be made at the following percentages of the amount certified under former section 319.311 of the Revised Code and paid under division (G)(1) of this section in the state's fiscal year 2003:

- (a) In fiscal year 2004, ninety per cent;
- (b) In fiscal year 2005, eighty per cent;
- (c) In fiscal year 2006, sixty-four per cent;
- (d) In fiscal year 2007, forty per cent;
- (e) In fiscal year 2008, thirty-two per cent;
- (f) In fiscal year 2009, sixteen per cent.

After fiscal year 2009, no payments shall be made under division (G)(1) of this section.

(H)(1) On or before the fifteenth day of April each year, the county treasurer shall settle with the county auditor for all manufactured home taxes that the county treasurer has collected on the manufactured home tax duplicate at the time of making the settlement.

(2) On or before the fifteenth day of September each year, the county treasurer shall settle with the county auditor for all remaining manufactured home taxes that the county treasurer has collected on the manufactured home tax duplicate at the time of making the settlement.

(3) If the time for payment of such taxes is extended under section 4503.06 of the Revised Code, the time for making the settlement as prescribed by divisions (H)(1) and (2) of this section is extended for a like period of time.

(I) On or before the second Monday in September of each year, the county treasurer shall certify to the tax commissioner the total amount by which the manufactured home taxes levied in that year were reduced pursuant to section 319.302 of the Revised Code. Within ninety days after the receipt of such certification, the commissioner shall provide for payment to the county treasurer from the general revenue fund of an amount equal to the amount certified by the treasurer. Such payment shall be credited upon receipt to the county's undivided income tax fund, and the county auditor shall transfer to the county general fund from the amount thereof the total amount of all fees and charges that the auditor and treasurer would have been authorized to receive had such section not been in effect and that amount had been levied and collected as manufactured home taxes. The county auditor shall distribute the amount remaining among the various taxing districts in the county as if it had been levied, collected, and settled as manufactured home taxes.
