

## Ohio Revised Code

### Section 3107.392 Information on web site.

Effective: March 20, 2014

Legislation: Senate Bill 23 - 130th General Assembly

---

The department of health shall include on its web site information about biological parent's name redaction request forms. All of the following information shall be provided:

- (A) The purpose of the form;
  - (B) The procedures to be followed and requirements to be met for the department to accept the form;
  - (C) The date when biological parents may begin to file the form with the department;
  - (D) The date when the form may no longer be filed with the department;
  - (E) The procedures to be followed and requirements to be met for having the form removed from an adopted person's adoption file;
  - (F) Any other information the department considers necessary.
-
