

Ohio Revised Code

Section 3107.393 Attachment of social and medical history form to other forms.

Effective: March 20, 2015

Legislation: Senate Bill 23 - 130th General Assembly

The department of health shall attach a social and medical history form prescribed under section 3107.09 of the Revised Code to each contact preference form and biological parent's name redaction request form it makes available to a biological parent pursuant to section 3107.39 or 3107.391 of the Revised Code. A biological parent for whom such a form was not completed in accordance with section 3107.09 of the Revised Code may complete the form. In completing the form, the biological parent may include information described in division (C) of section 3107.09 of the Revised Code. The biological parent shall return the form to the department after completing it to the extent that the biological parent chooses to provide information.

Access to a social and medical history form completed under this section shall be granted in accordance with division (D) of section 3107.17 of the Revised Code.

A biological parent who completes a social and medical history form under this section may correct or expand information included on the form in accordance with division (D) of section 3107.09 of the Revised Code.

This section does not preclude a biological parent from completing a social and medical history in accordance with section 3107.091 of the Revised Code instead of this section.
