

## Ohio Revised Code

### Section 3109.52 Power of attorney for residential grandparent.

Effective: July 20, 2004

Legislation: House Bill 130 - 125th General Assembly

---

The parent, guardian, or custodian of a child may create a power of attorney that grants to a grandparent of the child with whom the child is residing any of the parent's, guardian's, or custodian's rights and responsibilities regarding the care, physical custody, and control of the child, including the ability to enroll the child in school, to obtain from the school district educational and behavioral information about the child, to consent to all school-related matters regarding the child, and to consent to medical, psychological, or dental treatment for the child. The power of attorney may not grant authority to consent to the marriage or adoption of the child. The power of attorney does not affect the rights of the parent, guardian, or custodian of the child in any future proceeding concerning custody of the child or the allocation of parental rights and responsibilities for the care of the child and does not grant legal custody to the attorney in fact.
