

## Ohio Revised Code

### Section 3111.83 Registering order concerning support and health care.

Effective: March 22, 2001

Legislation: Senate Bill 180 - 123rd General Assembly

---

An administrative officer who issues an administrative support order for the payment of support and provision for a child's health care shall register the order or cause the order to be registered in the system established under section 3111.831 of the Revised Code or with the clerk of the court of appropriate jurisdiction of the county served by the administrative officer's child support enforcement agency.
