

Ohio Revised Code

Section 3125.42 Request for information by office for child support.

Effective: March 22, 2001

Legislation: Senate Bill 180 - 123rd General Assembly

The person or entity required to provide information pursuant to section 3125.41 of the Revised Code, may provide such information to a child support enforcement agency at the agency's request or require the agency to request that the office of child support request the information for the agency. The office shall request the information from the person or entity on the request of a child support enforcement agency.
