

## Ohio Revised Code

### Section 3301.948 Provision of data to multi-state consortium prohibited.

Effective: October 3, 2023

Legislation: House Bill 33

---

Notwithstanding anything in the Revised Code to the contrary, the department of education and workforce, any school district, any school, or any third party under contract with the state, a school district, or a school shall not provide student names and addresses to any multi-state consortium that offers summative assessments.
