

Ohio Revised Code

Section 3302.26 Performance management section on department's public web site.

Effective: October 3, 2023

Legislation: House Bill 33

(A) As used in this section:

(1) "Expenditure per equivalent pupils" is the total operating expenditures of a school district divided by the measure of equivalent pupils.

(2) "Measure of equivalent pupils" is the total number of students in a school district adjusted for the relative differences in costs associated with the unique characteristics and needs of each category of pupil.

(B) The department of education and workforce shall create a performance management section on the department's public web site. The performance management section shall include information on academic and financial performance metrics for each school district to assist schools and districts in providing an effective and efficient delivery of educational services. The section shall be located in a prominent location on the department's public web site. The section shall include, but not be limited to, all of the following:

(1) A graph that illustrates the relationship between a district's academic performance, as measured by the performance index score, and its expenditure per equivalent pupils as compared to similar districts;

(2) Each district's total operating expenditures per pupil;

(3) Statistics of academic and financial performance measures for each district to allow for a comparison and benchmarking between districts.

(C) The department may contract with an independent organization to develop and host the performance management section of its web site.
