

Ohio Revised Code

Section 3311.54 Resolution requesting dissolution of cooperative education district.

Effective: April 16, 1993

Legislation: Senate Bill 195 - 119th General Assembly

Upon approval by a majority of the full membership of the board of education of a cooperative education school district, or upon the receipt of resolutions formally adopted by a majority of the boards of education of the city, local, and exempted village school districts whose territory is in the cooperative education school district, the board of education of the cooperative education school district shall adopt and send to the state board of education a resolution requesting the dissolution of the cooperative education school district. The resolution shall state the reasons for the proposed dissolution, shall set forth a plan for the equitable adjustment, division, and disposition of the assets, property, debts, and obligations of the district among the city, local, and exempted village school districts whose territory is in the district, and shall provide that the tax duplicate of each city, local, and exempted village school district whose territory is in the district shall be bound for and assume its share of the outstanding indebtedness of the cooperative education school district. Upon approval of the resolution by the state board of education, the cooperative education school district shall be dissolved in accordance with the provisions of the resolution.

The state board of education shall immediately provide a copy of any approved resolution to the county auditor and the board of elections of each county that had any territory in the dissolved district. Each such county auditor shall thereupon make in accordance with that resolution any changes required in the tax duplicate of each city, local, and exempted village school district whose territory was in the dissolved district.
