

Ohio Revised Code

Section 3313.209 Options for districts that do not operate a latchkey program.

Effective: September 29, 2005

Legislation: House Bill 66 - 126th General Assembly

(A) A board of education of a school district that does not provide a latchkey program may provide ancillary services to and may make payments to any program provider that operates a latchkey program that enrolls one or more children who are residents of the school district.

(B) A board of education of a school district that does not provide a latchkey program and that does not make payments under division (A) of this section may furnish to any person or entity that operates a latchkey program ancillary services or employees for use solely in conjunction with the program's operation.

(C) A board of education shall enter into a contract with a program provider as a condition for making any payments or furnishing any ancillary services or employees authorized by division (A) or (B) of this section.
