

Ohio Revised Code

Section 3316.13 Duty to act pursuant to certification, notification, order or request of commission.

Effective: June 20, 1996

Legislation: Senate Bill 310 - 121st General Assembly

A school district financial planning and supervision commission may direct its certifications, notifications, orders, or requests to particular officers of the county, school district, or state, or to the school district board of education or county budget commission and cause the same to be mailed or delivered to appropriate officials as designated by this chapter or, where not so designated, as it considers appropriate. Any such certification, notification, order, or request, including preparation and submission of a financial recovery plan in accordance therewith and with this chapter, shall be effective and binding upon the officer, county budget commission, school district board of education, and officials and employees who have the responsibility to act in the matter, have within their control the authority to perform consistent therewith, or have in their possession the information required or requested; and the duty to act pursuant to any such certification, notification, order, or request is hereby established as a duty of the school district board, county, or state, and of each such officer and employee, specifically enjoined by the law resulting from an office, trust, or station within the meaning of section 2731.01 of the Revised Code, and may be enforced by writ of mandamus petitioned for by the commission on behalf of the state.
