

## Ohio Revised Code

### Section 3319.232 License for teaching students with visual disabilities.

Effective: April 6, 2023

Legislation: House Bill 281

---

The state board of education shall adopt standards for attaining a license for teaching students with visual disabilities that require the licensee to demonstrate competency in reading and writing braille. The standards for demonstrating competency shall be developed with reference to those adopted for transcribers by the national library service for the blind and print disabled, library of congress.
