

Ohio Revised Code

Section 3327.03 Designation of depots.

Effective: April 16, 1993

Legislation: Senate Bill 195 - 119th General Assembly

Notwithstanding division (D) of section 3311.19 and division (D) of section 3311.52 of the Revised Code, this section does not apply to any joint vocational or cooperative education school district.

The boards of education of city, local, or exempted village school districts may by resolution designate certain places as depots from which to gather children for transportation to school, when such districts provide transportation. The places designated as depots shall be provided with a shelter and be made comfortable during cold and stormy weather.
