### Section 3335.02 Appointment of trustees - term.

Effective: September 29, 2015

Legislation: House Bill 64 - 131st General Assembly

---

(A) The government of the Ohio state university shall be vested in a board of fourteen trustees in 2005, and seventeen trustees beginning in 2006, who shall be appointed by the governor, with the advice and consent of the senate. Two of the seventeen trustees shall be students at the Ohio state university, and their selection and terms shall be in accordance with division (B) of this section. Except as provided in division (D) of this section and except for the terms of student members, terms of office shall be for nine years, commencing on the fourteenth day of May and ending on the thirteenth day of May. Each trustee shall hold office from the date of appointment until the end of the term for which the trustee was appointed. Any trustee appointed to fill a vacancy occurring prior to the expiration of the term for which the trustee's predecessor was appointed shall hold office for the remainder of such term. Any trustee shall continue in office subsequent to the expiration date of the trustee's term until the trustee's successor takes office, or until a period of sixty days has elapsed, whichever occurs first. No person who has served a full nine-year term or more than six years of such a term shall be eligible for reappointment until a period of four years has elapsed since the last day of the term for which the person previously served. The trustees shall not receive compensation for their services, but shall be paid their reasonable necessary expenses while engaged in the discharge of their official duties.

(B) The student members of the board of trustees of the Ohio state university shall be students at the Ohio state university. Unless student members have been granted voting power under division (C) of this section, they shall have no voting power on the board, shall not be considered as members of the board in determining whether a quorum is present, and shall not be entitled to attend executive sessions of the board. The student members of the board shall be appointed by the governor, with the advice and consent of the senate, from a group of five candidates selected pursuant to a procedure adopted by the university's student governments and approved by the university's board of trustees. The initial term of office of one of the student members shall commence on May 14, 1988, and shall expire on May 13, 1989, and the initial term of office of the other student member shall commence on May 14, 1988, and expire on May 13, 1990. Thereafter, terms of office of student members shall be for two years, each term ending on the same day of the same month of the year as the term it

succeeds. In the event a student member cannot fulfill a two-year term, a replacement shall be selected to fill the unexpired term in the same manner used to make the original selection.

(C) Not later than ninety days after the effective date of this amendment, the board of trustees shall adopt a resolution that does one of the following:

(1) Grants the student members of the board voting power on the board. If so granted, in addition to having voting power, the student members shall be considered as members of the board in determining whether a quorum is present and shall be entitled to attend executive sessions of the board.

(2) Declares that student members do not have voting power on the board.

Thereafter, the board may change the voting status of student trustees by adopting a subsequent resolution. Each resolution adopted under this division shall take effect on the fourteenth day of May following the adoption of the resolution. All members with voting power at the time of the adoption of a resolution may vote on the resolution.

If student members are granted voting power under this division, no student shall be disqualified from membership on the board of trustees because the student receives a scholarship, grant, loan, or any other financial assistance payable out of the state treasury or a university fund, or because the student is employed by the university in a position pursuant to a work-study program or other student employment, including as a graduate teaching assistant, graduate administrative assistant, or graduate research assistant, the compensation for which is payable out of the state treasury or a university fund.

Acceptance of such financial assistance or employment by a student trustee shall not be considered a violation of Chapter 102. or section 2921.42 or 2921.43 of the Revised Code.

(D)(1) The initial terms of office for the three additional trustees appointed in 2005 shall commence on a date in 2005 that is selected by the governor with one term of office expiring on May 13, 2009, one term of office expiring on May 13, 2010, and one term of office expiring on May 13, 2011, as designated by the governor upon appointment. Thereafter terms of office shall be for nine years, as

provided in division (A) of this section.

(2) The initial terms of office for the three additional trustees appointed in 2006 shall commence on May 14, 2006, with one term of office expiring on May 13, 2012, one term of office expiring on May 13, 2013, and one term of office expiring on May 13, 2014, as designated by the governor upon appointment. Thereafter terms of office shall be for nine years, as provided in division (A) of this section.
