

Ohio Revised Code

Section 3345.24 Duty and authority of college administrators.

Effective: September 16, 1970

Legislation: House Bill 1219 - 108th General Assembly

(A) Sections 3345.22 and 3345.23 of the Revised Code shall be applied and followed, notwithstanding any rule, regulation, or procedure of the college or university, but such sections shall not be construed to limit any duty or authority of the board of trustees, administrative officials, or faculty of such college or university to take appropriate disciplinary action, through such procedures as may be provided by rule, regulation, or custom of such college or university, against students, faculty or staff members, or employees, nor shall such sections be construed to modify, limit, or rescind any rule or regulation of the college or university not inconsistent therewith.

(B) Sections 3345.22 and 3345.23 of the Revised Code shall not be construed as modifying or limiting the duty or authority of the board of trustees or president of a college or university to summarily suspend a student, faculty or staff member, or employee, when necessary to preserve the good order and discipline of such college or university, provided that the person suspended is given notice of suspension and the reasons therefor, and is afforded a fair and impartial hearing within a reasonable time thereafter, under regular procedures of the college or university. The duty and authority of the board of trustees or president of a college or university to impose summary suspension shall not be abrogated or limited in any way by any rule or regulation.

(C) To the extent that sections 3345.22 and 3345.23 of the Revised Code conflict with civil service requirements and procedures, persons otherwise subject to disciplinary action pursuant to such sections, but who are employees in the classified civil service, shall be disciplined according to civil service requirements and procedures.
