

Ohio Revised Code

Section 3345.62 Contract for report containing analysis and recommendations on energy conservation measures.

Effective: October 16, 2009

Legislation: House Bill 1 - 128th General Assembly

The board of trustees of a state institution of higher education may contract with an energy or water services company, architect, professional engineer, contractor, or other person experienced in the design and implementation of energy or water conservation measures for a report containing an analysis and recommendations pertaining to the implementation of energy or water conservation measures that would result in energy, water, or wastewater cost savings, operating cost savings, or avoided capital costs for the institution. The report shall include estimates of all costs of such installations, including the costs of design, engineering, installation, maintenance, repairs, and debt service, and estimates of the energy, water, or wastewater cost savings, operating cost savings, and avoided capital costs created.
