

## Ohio Revised Code

### Section 3701.16 Purchase, storage, distribution of pharmaceutical agents or medical supplies for public health emergency.

Effective: February 12, 2004

Legislation: House Bill 6 - 125th General Assembly

---

The director of health may purchase, store, and distribute antitoxins, serums, vaccines, immunizing agents, antibiotics, and other pharmaceutical agents or medical supplies that the director deems advisable in the interest of preparing for or responding to a public health emergency. The discretion granted to the director by this section does not relieve the director of the duty to act under section 3701.161 of the Revised Code.
