

## Ohio Revised Code

### Section 3711.08 Term of license - renewal.

Effective: September 10, 2012

Legislation: House Bill 487 - 129th General Assembly

---

A license issued under this chapter is valid for three years, unless earlier revoked or suspended under section 3711.14 of the Revised Code. The license may be renewed in the manner prescribed by the director of health in rules adopted under section 3711.12 of the Revised Code. The license renewal fee specified in the rules shall be paid not later than sixty days after the director of health mails an invoice for the fee to the license holder. A penalty of ten per cent of the amount of the renewal fee shall be assessed for each month the fee is overdue.
