

Ohio Revised Code

Section 3714.061 Applicant for permit to operate facility to submit plans.

Effective: December 22, 2005

Legislation: House Bill 397 - 126th General Assembly

(A) A person who submits an application under section 3714.06 of the Revised Code for a license to operate a construction and demolition debris facility shall submit with the application the plans for the operation of the facility that are required in rules adopted under division (G) of section 3714.02 of the Revised Code. In addition, the owner or operator of the facility shall submit any necessary updates to the plans for the operation of the facility as required in rules adopted under that division when submitting an application under section 3714.06 of the Revised Code for an annual license for the continued operation of the facility. The plans for the operation of the facility shall include the contingency plans that are required in rules adopted under division (H) of section 3714.02 of the Revised Code.

(B) A person who submits an application under section 3714.06 of the Revised Code for a license to operate a construction and demolition debris facility shall provide, at the time that the application is submitted, to the fire department that would respond to the facility a copy of the contingency plans that are required in rules adopted under division (H) of section 3714.02 of the Revised Code. In addition, the owner or operator of the facility shall submit any necessary updates to the plans as required in rules adopted under that division at the time that the owner or operator submits an application under section 3714.06 of the Revised Code for an annual license for continued operation of the facility.
