

Ohio Revised Code

Section 3714.082 Certification that transferred material not ineligible.

Effective: October 6, 2017

Legislation: Senate Bill 2 - 132nd General Assembly

(A) Except as provided in division (B) of this section, a construction and demolition debris facility may request a processing facility to certify that material that is transferred from the processing facility to the construction and demolition debris facility is not off-specification material; hazardous waste, solid wastes, or infectious wastes; or low-level radioactive waste whose treatment, recycling, storage, or disposal is governed under division (B) of section 3748.10 of the Revised Code. As used in this section, "hazardous waste," "solid wastes," and "infectious wastes" have the same meanings as in section 3734.01 of the Revised Code.

(B) With respect to material that is transferred to a construction and demolition debris facility by a railroad that is regulated under Title 49 of the United States Code, the facility may request the railroad to provide a bill of lading, or a copy of a bill of lading, from the shipper of the material or may request the railroad to provide written information indicating that the railroad did not process or add to the material.
