

## Ohio Revised Code

### Section 3714.20 Database of public information.

Effective: December 22, 2005

Legislation: House Bill 397 - 126th General Assembly

---

The director of environmental protection shall establish and maintain a database or databases composed of public information, including, but not limited to, the record made under section 3714.08 of the Revised Code of inspection of each construction and demolition debris facility, information from the annual survey of each health district made under section 3714.09 or 3734.08 of the Revised Code, as applicable, and ground water and leachate data collected in accordance with rules adopted under section 3714.02 of the Revised Code. The database or databases shall be stored in such a manner that they are easily available for sharing with health districts and all other interested persons.
