

Ohio Revised Code

Section 3727.04 [Repealed effective 9/30/2024 by H.B. 110, 134th General Assembly] Inspections.

Effective: March 3, 1984

Legislation: House Bill 173 - 114th General Assembly

In addition to any other inspections authorized by law, the director of health may inspect any hospital if there are substantial allegations or evidence of a significant deficiency or deficiencies that would, if found to be present, adversely affect the health or safety of its patients and may make such other inspections as are necessary to enforce this chapter.
