

Ohio Revised Code

Section 3923.83 Standardized prescription identification information - pharmacy benefits to be included - public employee benefit plan.

Effective: March 23, 2015

Legislation: House Bill 201

(A)(1) This section applies to both of the following:

(a) A public employee benefit plan that issues or requires the use of a standardized identification card or an electronic technology for submission and routing of prescription drug claims pursuant to a policy, contract, or agreement for health care services;

(b) A person or entity that a public employee benefit plan contracts with to issue a standardized identification card or an electronic technology described in division (A)(1)(a) of this section.

(2) Notwithstanding division (A)(1) of this section, this section does not apply to the issuance or required use of a standardized identification card or an electronic technology for the submission and routing of prescription drug claims in connection with either of the following:

(a) Any individual or group policy of insurance covering only accident, credit, dental, disability income, long-term care, hospital indemnity, medicare supplement, medicare, tricare, specified disease, or vision care; coverage under a one-time-limited-duration policy that is less than twelve months; coverage issued as a supplement to liability insurance; insurance arising out of workers' compensation or similar law; automobile medical payment insurance; or insurance under which benefits are payable with or without regard to fault and which is statutorily required to be contained in any liability insurance policy or equivalent self-insurance.

(b) Coverage provided under the medicaid program.

(B) A standardized identification card or an electronic technology issued or required to be used as provided in division (A)(1) of this section shall contain uniform prescription drug information in accordance with either division (B)(1) or (2) of this section.

(1) The standardized identification card or the electronic technology shall be in a format and contain information fields approved by the national council for prescription drug programs or a successor organization, as specified in the council's or successor organization's pharmacy identification card implementation guide in effect on the first day of October most immediately preceding the issuance or required use of the standardized identification card or the electronic technology.

(2) If the public employee benefit plan or person under contract with the plan to issue a standardized identification card or an electronic technology requires the information for the submission and routing of a claim, the standardized identification card or the electronic technology shall contain any of the following information:

(a) The plan's name;

(b) The insured's name, group number, and identification number;

(c) A telephone number to inquire about pharmacy-related issues;

(d) The issuer's international identification number, labeled as "ANSI BIN" or "RxBIN";

(e) The processor's control number, labeled as "RxPCN";

(f) The insured's pharmacy benefits group number if different from the insured's medical group number, labeled as "RxGrp."

(C) If the standardized identification card or the electronic technology issued or required to be used as provided in division (A)(1) of this section is also used for submission and routing of nonpharmacy claims, the designation "Rx" is required to be included as part of the labels identified in divisions (B)(2)(d) and (e) of this section if the issuer's international identification number or the processor's control number is different for medical and pharmacy claims.

(D)(1) Except as provided in division (D)(2) of this section, if there is a change in the information contained in the standardized identification card or the electronic technology issued to an insured, the public employee benefit plan or person under contract with the plan to issue a standardized

identification card or electronic technology shall issue a new card or electronic technology to the insured.

(2) A public employee benefit plan or person under contract with the plan is not required under division (D)(1) of this section to issue a new card or electronic technology to an insured more than once during a twelve-month period.

(E) Nothing in this section shall be construed as requiring a public employee benefit plan to produce more than one standardized identification card or one electronic technology for use by insureds accessing health care benefits provided under a health benefit plan.
