

Ohio Revised Code

Section 3941.48 Contract with only hospital operating in county.

Effective: October 1, 1987

Legislation: Senate Bill 124 - 117th General Assembly

A mutual insurance company which has merged or consolidated with a hospital service association shall not either before or after January 1, 1991, terminate its contract with a hospital based upon such hospital's price in relation to the prices of other hospitals operating in the same geographical area, where such hospital is the only hospital operating in a county in this state.
