

Ohio Revised Code

Section 3953.17 Foreign title insurance company - license.

Effective: December 12, 1967

Legislation: Senate Bill 224 - 107th General Assembly

Any title insurance company organized under the laws of another state or foreign government shall be licensed to transact a title insurance business within this state only if such company is and remains of the same standard of solvency and complies with other requirements fixed by the laws of this state for title insurance companies organized and authorized to transact the business of title insurance pursuant to the laws of this state.
