Effective: September 29, 2011

Legislation: House Bill 153 - 129th General Assembly

---

No public authority shall subdivide a public improvement project into component parts or projects, the cost of which is fairly estimated to be less than the threshold levels set forth in division (B) of section 4115.03 of the Revised Code, unless the projects are conceptually separate and unrelated to each other, or encompass independent and unrelated needs of the public authority.
