

## Ohio Revised Code Section 4141.302 Direct deposit.

Effective: April 3, 2023

Legislation: Senate Bill 302 - 134th General Assembly

---

If the director of job and family services establishes a direct deposit system under which an individual may agree to benefits being disbursed through electronic transfer to an account in a financial institution designated by the individual, the director shall make disbursements only to a financial institution that has a physical location in this state that the individual can access for the purpose of resolving disputes with the institution. This section does not prohibit the director from establishing other systems for disbursing benefits.
