(2) No person who, within twenty years of the conduct described in division (A)(2)(a) of this section, previously has been convicted of or pleaded guilty to a violation of this division, a violation of division (A)(1) of this section, or any other equivalent offense shall do both of the following:

(a) Operate any vehicle, streetcar, or trackless trolley within this state while under the influence of alcohol, a drug of abuse, or a combination of them;

(b) Subsequent to being arrested for operating the vehicle, streetcar, or trackless trolley as described in division (A)(2)(a) of this section, being asked by a law enforcement officer to submit to a chemical test or tests under section 4511.191 of the Revised Code, and being advised by the officer in accordance with section 4511.192 of the Revised Code of the consequences of the person's refusal or submission to the test or tests, refuse to submit to the test or tests.

(B) No person under twenty-one years of age shall operate any vehicle, streetcar, or trackless trolley within this state, if, at the time of the operation, any of the following apply:

(C) In any proceeding arising out of one incident, a person may be charged with a violation of division (A)(1)(a) or (A)(2) and a violation of division (B)(1), (2), or (3) of this section, but the person may not be convicted of more than one violation of these divisions.

(D)(1)(a) In any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(a) of this section or for an equivalent offense that is vehicle-related, the result of any test of any blood or urine withdrawn and analyzed at any health care provider, as defined in section 2317.02 of the Revised Code, may be admitted with expert testimony to be considered with any other relevant and competent evidence in determining the guilt or innocence of the defendant.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is vehicle-related, the court may admit evidence on the concentration of alcohol, drugs of abuse, controlled substances, metabolites of a controlled substance, or a combination of them in the defendant's whole blood, blood serum or plasma, breath, urine, or other bodily substance at the time of the alleged violation as shown by chemical analysis of the substance withdrawn within three hours of the time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in division (A) of section 4511.192 of the Revised Code as the maximum period of time during which a person may consent to a chemical test or tests as described in that section. The court may admit evidence on the concentration of alcohol, drugs of abuse, or a combination of them as described in this division when a person submits to a blood, breath, urine, or other bodily substance test at the request of a law enforcement officer under section 4511.191 of the Revised Code or a blood or urine sample is obtained pursuant to a search warrant. Only a physician, a registered nurse, an emergency medical technician-intermediate, an emergency medical technician-

paramedic, or a qualified technician, chemist, or phlebotomist shall withdraw a blood sample for the purpose of determining the alcohol, drug, controlled substance, metabolite of a controlled substance, or combination content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division, if in that person's opinion, the physical welfare of the person would be endangered by the withdrawing of blood.

The bodily substance withdrawn under division (D)(1)(b) of this section shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(c) As used in division (D)(1)(b) of this section, "emergency medical technician-intermediate" and "emergency medical technician-paramedic" have the same meanings as in section 4765.01 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for an equivalent offense that is vehicle-related, if there was at the time the bodily substance was withdrawn a concentration of less than the applicable concentration of alcohol specified in divisions (A)(1)(b), (c), (d), and (e) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(1)(j) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for an equivalent offense that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney, immediately upon the completion of the chemical test analysis.

If the chemical test was obtained pursuant to division (D)(1)(b) of this section, the person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests, at the person's expense, in addition to any administered at the request of a law enforcement officer. If the person was under arrest as described

in division (A)(5) of section 4511.191 of the Revised Code, the arresting officer shall advise the person at the time of the arrest that the person may have an independent chemical test taken at the person's own expense. If the person was under arrest other than described in division (A)(5) of section 4511.191 of the Revised Code, the form to be read to the person to be tested, as required under section 4511.192 of the Revised Code, shall state that the person may have an independent test performed at the person's expense. The failure or inability to obtain an additional chemical test by a person shall not preclude the admission of evidence relating to the chemical test or tests taken at the request of a law enforcement officer.

(4)(a) As used in divisions (D)(4)(b) and (c) of this section, "national highway traffic safety administration" means the national highway traffic safety administration established as an administration of the United States department of transportation under 96 Stat. 2415 (1983), 49 U.S.C.A. 105.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section, of a municipal ordinance relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, or of a municipal ordinance relating to operating a vehicle with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine, if a law enforcement officer has administered a field sobriety test to the operator of the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally accepted field sobriety tests that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that were set by the national highway traffic safety administration, all of the following apply:

- (i) The officer may testify concerning the results of the field sobriety test so administered.
- (ii) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.
- (iii) If testimony is presented or evidence is introduced under division (D)(4)(b)(i) or (ii) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall

admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(c) Division (D)(4)(b) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (D)(4)(b) of this section.

(E)(1) Subject to division (E)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(b), (c), (d), (e), (f), (g), (h), (i), or (j) or (B)(1), (2), (3), or (4) of this section or for an equivalent offense that is substantially equivalent to any of those divisions, a laboratory report from any laboratory personnel issued a permit by the department of health authorizing an analysis as described in this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division shall be admitted as prima-facie evidence of the information and statements that the report contains. The laboratory report shall contain all of the following:

- (a) The signature, under oath, of any person who performed the analysis;
- (b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;
- (c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;
- (d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (E)(1) of this section is not admissible against the defendant to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's attorney or, if the defendant has no attorney, on the defendant.

(3) A report of the type described in division (E)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant to whom the report pertains or the defendant's attorney receives a copy of the report, the defendant or the defendant's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(F) Except as otherwise provided in this division, any physician, registered nurse, emergency medical technician-intermediate, emergency medical technician-paramedic, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section or section 4511.191 or 4511.192 of the Revised Code, and any hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section or section 4511.191 or 4511.192 of the Revised Code, is immune from criminal liability and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division also extends to an emergency medical service organization that employs an emergency medical technician-intermediate or emergency medical technician-paramedic who withdraws blood under this section. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

As used in this division, "emergency medical technician-intermediate" and "emergency medical technician-paramedic" have the same meanings as in section 4765.01 of the Revised Code.

(G)(1) Whoever violates any provision of divisions (A)(1)(a) to (i) or (A)(2) of this section is guilty of operating a vehicle under the influence of alcohol, a drug of abuse, or a combination of them. Whoever violates division (A)(1)(j) of this section is guilty of operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance. The court

shall sentence the offender for either offense under Chapter 2929. of the Revised Code, except as otherwise authorized or required by divisions (G)(1)(a) to (e) of this section:

(a) Except as otherwise provided in division (G)(1)(b), (c), (d), or (e) of this section, the offender is guilty of a misdemeanor of the first degree, and the court shall sentence the offender to all of the following:

(i) If the sentence is being imposed for a violation of division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a mandatory jail term of three consecutive days. As used in this division, three consecutive days means seventy-two consecutive hours. The court may sentence an offender to both an intervention program and a jail term. The court may impose a jail term in addition to the three-day mandatory jail term or intervention program. However, in no case shall the cumulative jail term imposed for the offense exceed six months.

The court may suspend the execution of the three-day jail term under this division if the court, in lieu of that suspended term, places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code and requires the offender to attend, for three consecutive days, a drivers' intervention program certified under section 5119.38 of the Revised Code. The court also may suspend the execution of any part of the three-day jail term under this division if it places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code for part of the three days, requires the offender to attend for the suspended part of the term a drivers' intervention program so certified, and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the program. The court may require the offender, as a condition of community control and in addition to the required attendance at a drivers' intervention program, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Chapter 5119. of the Revised Code by the director of mental health and addiction services that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose on the offender any other conditions of community control that it considers necessary.

If the court grants unlimited driving privileges to a first-time offender under section 4510.022 of the Revised Code, all penalties imposed upon the offender by the court under division (G)(1)(a)(i) of this

section for the offense apply, except that the court shall suspend any mandatory or additional jail term imposed by the court under division (G)(1)(a)(i) of this section upon granting unlimited driving privileges in accordance with section 4510.022 of the Revised Code.

(ii) If the sentence is being imposed for a violation of division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this section, except as otherwise provided in this division, a mandatory jail term of at least three consecutive days and a requirement that the offender attend, for three consecutive days, a drivers' intervention program that is certified pursuant to section 5119.38 of the Revised Code. As used in this division, three consecutive days means seventy-two consecutive hours. If the court determines that the offender is not conducive to treatment in a drivers' intervention program, if the offender refuses to attend a drivers' intervention program, or if the jail at which the offender is to serve the jail term imposed can provide a driver's intervention program, the court shall sentence the offender to a mandatory jail term of at least six consecutive days.

If the court grants unlimited driving privileges to a first-time offender under section 4510.022 of the Revised Code, all penalties imposed upon the offender by the court under division (G)(1)(a)(ii) of this section for the offense apply, except that the court shall suspend any mandatory or additional jail term imposed by the court under division (G)(1)(a)(ii) of this section upon granting unlimited driving privileges in accordance with section 4510.022 of the Revised Code.

The court may require the offender, under a community control sanction imposed under section 2929.25 of the Revised Code, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Chapter 5119. of the Revised Code by the director of mental health and addiction services, in addition to the required attendance at drivers' intervention program, that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose any other conditions of community control on the offender that it considers necessary.

(iii) In all cases, a fine of not less than three hundred seventy-five and not more than one thousand seventy-five dollars;

(iv) In all cases, a suspension of the offender's driver's or commercial driver's license or permit or

nonresident operating privilege for a definite period of one to three years. The court may grant limited driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code. The court may grant unlimited driving privileges with an ignition interlock device relative to the suspension and may reduce the period of suspension as authorized under section 4510.022 of the Revised Code.

(b) Except as otherwise provided in division (G)(1)(e) of this section, an offender who, within ten years of the offense, previously has been convicted of or pleaded guilty to one violation of division (A) of this section or one other equivalent offense is guilty of a misdemeanor of the first degree. The court shall sentence the offender to all of the following:

(i) If the sentence is being imposed for a violation of division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a mandatory jail term of ten consecutive days. The court shall impose the ten-day mandatory jail term under this division unless, subject to division (G)(3) of this section, it instead imposes a sentence under that division consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the ten-day mandatory jail term. The cumulative jail term imposed for the offense shall not exceed six months.

In addition to the jail term or the term of house arrest with electronic monitoring or continuous alcohol monitoring or both types of monitoring and jail term, the court shall require the offender to be assessed by a community addiction services provider that is authorized by section 5119.21 of the Revised Code, subject to division (I) of this section, and shall order the offender to follow the treatment recommendations of the services provider. The purpose of the assessment is to determine the degree of the offender's alcohol usage and to determine whether or not treatment is warranted. Upon the request of the court, the services provider shall submit the results of the assessment to the court, including all treatment recommendations and clinical diagnoses related to alcohol use.

(ii) If the sentence is being imposed for a violation of division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this section, except as otherwise provided in this division, a mandatory jail term of twenty consecutive days. The court shall impose the twenty-day mandatory jail term under this division unless, subject to division (G)(3) of this section, it instead imposes a sentence under that division consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous

alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the twenty-day mandatory jail term. The cumulative jail term imposed for the offense shall not exceed six months.

In addition to the jail term or the term of house arrest with electronic monitoring or continuous alcohol monitoring or both types of monitoring and jail term, the court shall require the offender to be assessed by a community addiction service provider that is authorized by section 5119.21 of the Revised Code, subject to division (I) of this section, and shall order the offender to follow the treatment recommendations of the services provider. The purpose of the assessment is to determine the degree of the offender's alcohol usage and to determine whether or not treatment is warranted. Upon the request of the court, the services provider shall submit the results of the assessment to the court, including all treatment recommendations and clinical diagnoses related to alcohol use.

(iii) In all cases, notwithstanding the fines set forth in Chapter 2929. of the Revised Code, a fine of not less than five hundred twenty-five and not more than one thousand six hundred twenty-five dollars;

(iv) In all cases, a suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for a definite period of one to seven years. The court may grant limited driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code.

(v) In all cases, if the vehicle is registered in the offender's name, immobilization of the vehicle involved in the offense for ninety days in accordance with section 4503.233 of the Revised Code and impoundment of the license plates of that vehicle for ninety days.

(c) Except as otherwise provided in division (G)(1)(e) of this section, an offender who, within ten years of the offense, previously has been convicted of or pleaded guilty to two violations of division (A) of this section or other equivalent offenses is guilty of a misdemeanor. The court shall sentence the offender to all of the following:

(i) If the sentence is being imposed for a violation of division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a mandatory jail term of thirty consecutive days. The court shall impose the thirty-day

mandatory jail term under this division unless, subject to division (G)(3) of this section, it instead imposes a sentence under that division consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the thirty-day mandatory jail term. Notwithstanding the jail terms set forth in sections 2929.21 to 2929.28 of the Revised Code, the additional jail term shall not exceed one year, and the cumulative jail term imposed for the offense shall not exceed one year.

(ii) If the sentence is being imposed for a violation of division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this section, a mandatory jail term of sixty consecutive days. The court shall impose the sixty-day mandatory jail term under this division unless, subject to division (G)(3) of this section, it instead imposes a sentence under that division consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the sixty-day mandatory jail term. Notwithstanding the jail terms set forth in sections 2929.21 to 2929.28 of the Revised Code, the additional jail term shall not exceed one year, and the cumulative jail term imposed for the offense shall not exceed one year.

(iii) In all cases, notwithstanding the fines set forth in Chapter 2929. of the Revised Code, a fine of not less than eight hundred fifty and not more than two thousand seven hundred fifty dollars;

(iv) In all cases, a suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for a definite period of two to twelve years. The court may grant limited driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code.

(v) In all cases, if the vehicle is registered in the offender's name, criminal forfeiture of the vehicle involved in the offense in accordance with section 4503.234 of the Revised Code. Division (G)(6) of this section applies regarding any vehicle that is subject to an order of criminal forfeiture under this division.

(vi) In all cases, the court shall order the offender to participate with a community addiction services provider authorized by section 5119.21 of the Revised Code, subject to division (I) of this section,

and shall order the offender to follow the treatment recommendations of the services provider. The operator of the services provider shall determine and assess the degree of the offender's alcohol dependency and shall make recommendations for treatment. Upon the request of the court, the services provider shall submit the results of the assessment to the court, including all treatment recommendations and clinical diagnoses related to alcohol use.

(d) Except as otherwise provided in division (G)(1)(e) of this section, an offender who, within ten years of the offense, previously has been convicted of or pleaded guilty to three or four violations of division (A) of this section or other equivalent offenses, an offender who, within twenty years of the offense, previously has been convicted of or pleaded guilty to five or more violations of that nature, or an offender who previously has been convicted of or pleaded guilty to a specification of the type described in section 2941.1413 of the Revised Code is guilty of a felony of the fourth degree. The court shall sentence the offender to all of the following:

(i) If the sentence is being imposed for a violation of division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a mandatory prison term of one, two, three, four, or five years as required by and in accordance with division (G)(2) of section 2929.13 of the Revised Code if the offender also is convicted of or also pleads guilty to a specification of the type described in section 2941.1413 of the Revised Code or, in the discretion of the court, either a mandatory term of local incarceration of sixty consecutive days in accordance with division (G)(1) of section 2929.13 of the Revised Code or a mandatory prison term of sixty consecutive days in accordance with division (G)(2) of that section if the offender is not convicted of and does not plead guilty to a specification of that type. (vi) In all cases, the court shall order the offender to participate with a community addiction services provider authorized by section 5119.21 of the Revised Code, subject to division (I) of this section, and shall order the offender to follow the treatment recommendations of the services provider. Division (G)(6) of this section applies regarding any vehicle that is subject to an order of criminal forfeiture under this division.

(vi) In all cases, the court shall order the offender to participate with a community addiction services provider authorized by section 5119.21 of the Revised Code, subject to division (I) of this section, and shall order the offender to follow the treatment recommendations of the services provider. (3) If an offender is sentenced to a jail term under division (G)(1)(b)(i) or (ii) or (G)(1)(c)(i) or (ii) of this section and if, within sixty days of sentencing of the offender, the court issues a written finding on the record that, due to the unavailability of space at the jail where the offender is required to serve the term, the offender will not be able to begin serving that term within the sixty-day period following the date of sentencing, the court may impose an alternative sentence under this division that includes a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring.

As an alternative to a mandatory jail term of ten consecutive days required by division (G)(1)(b)(i) of this section, the court, under this division, may sentence the offender to five consecutive days in jail and not less than eighteen consecutive days of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. (4) If an offender's driver's or occupational driver's license or permit or nonresident operating privilege is suspended under division (G) of this section and if section 4510.13 of the Revised Code permits the court to grant limited driving privileges, the court may grant the limited driving privileges in accordance with that section. If division (A)(7) of that section requires that the court impose as a condition of the privileges that the offender must display on the vehicle that is driven subject to the privileges restricted license plates that are issued under section 4503.231 of the Revised Code, except as provided in division (B) of that section, the court shall impose that condition as one of the conditions of the limited driving privileges granted to the offender, except as provided in division (B) of section 4503.231 of the Revised Code.

The agency shall use this share to pay only those costs it incurs in enforcing this section or a municipal OVI ordinance and in informing the public of the laws governing the operation of a vehicle while under the influence of alcohol, the dangers of the operation of a vehicle under the influence of alcohol, and other information relating to the operation of a vehicle under the influence of alcohol and the consumption of alcoholic beverages.

(b) Fifty dollars of the fine imposed under division (G)(1)(a)(iii) of this section shall be paid to the political subdivision that pays the cost of housing the offender during the offender's term of incarceration. If the offender is being sentenced for a violation of division (A)(1)(a), (b), (c), (d), (e), or (j) of this section and was confined as a result of the offense prior to being sentenced for the offense but is not sentenced to a term of incarceration, the fifty dollars shall be paid to the political subdivision that paid the cost of housing the offender during that period of confinement. The political subdivision shall use the share under this division to pay or reimburse incarceration or treatment costs it incurs in housing or providing drug and alcohol treatment to persons who violate this section or a municipal OVI ordinance, costs of any immobilizing or disabling device used on the offender's vehicle, and costs of electronic house arrest equipment needed for persons who violate this section.

(c) Twenty-five dollars of the fine imposed under division (G)(1)(a)(iii) and fifty dollars of the fine imposed under division (G)(1)(b)(iii) of this section shall be deposited into the county or municipal indigent drivers' alcohol treatment fund under the control of that court, as created by the county or municipal corporation under division (F) of section 4511.191 of the Revised Code.

The political subdivision shall use this share to pay or reimburse incarceration or treatment costs it incurs in housing or providing drug and alcohol treatment to persons who violate this section or a municipal OVI ordinance, costs for any immobilizing or disabling device used on the offender's vehicle, and costs of electronic house arrest equipment needed for persons who violate this section.

(e) Fifty dollars of the fine imposed under divisions (G)(1)(a)(iii), (G)(1)(b)(iii), (G)(1)(c)(iii), (G)(1)(d)(iii), and (G)(1)(e)(iii) of this section shall be deposited into the special projects fund of the court in which the offender was convicted and that is established under division (E)(1) of section 2303.201, division (B)(1) of section 1901.26, or division (B)(1) of section 1907.24 of the Revised Code, to be used exclusively to cover the cost of immobilizing or disabling devices, including certified ignition interlock devices, and remote alcohol monitoring devices for indigent offenders who are required by a judge to use either of these devices. If the court in which the offender was convicted does not have a special projects fund that is established under division (E)(1) of section 2303.201, division (B)(1) of section 1901.26, or division (B)(1) of section 1907.24 of the Revised Code, the fifty dollars shall be deposited into the indigent drivers interlock and alcohol monitoring fund under division (I) of section 4511.191 of the Revised Code.

(g) The balance of the fine imposed under division (G)(1)(a)(iii), (b)(iii), (c)(iii), (d)(iii), or (e)(iii) of this section shall be disbursed as otherwise provided by law.

(6) If title to a motor vehicle that is subject to an order of criminal forfeiture under division (G)(1)(c), (d), or (e) of this section is assigned or transferred and division (B)(2) or (3) of section 4503.234 of the Revised Code applies, in addition to or independent of any other penalty established by law, the court may fine the offender the value of the vehicle as determined by publications of the national automobile dealers association. The proceeds of any fine so imposed shall be distributed in

accordance with division (C)(2) of that section.

(7) In all cases in which an offender is sentenced under division (G) of this section, the offender shall provide the court with proof of financial responsibility as defined in section 4509.01 of the Revised Code. If the offender fails to provide that proof of financial responsibility, the court, in addition to any other penalties provided by law, may order restitution pursuant to section 2929.18 or 2929.28 of the Revised Code in an amount not exceeding five thousand dollars for any economic loss arising from an accident or collision that was the direct and proximate result of the offender's operation of the vehicle before, during, or after committing the offense for which the offender is sentenced under division (G) of this section.

(8) A court may order an offender to reimburse a law enforcement agency for any costs incurred by the agency with respect to a chemical test or tests administered to the offender if all of the following apply:

(b) The test or tests were of the offender's whole blood, blood serum or plasma, or urine.

(c) The test or tests indicated that the offender had a prohibited concentration of a controlled substance or a metabolite of a controlled substance in the offender's whole blood, blood serum or plasma, or urine at the time of the offense.

(9) As used in division (G) of this section, "electronic monitoring," "mandatory prison term," and "mandatory term of local incarceration" have the same meanings as in section 2929.01 of the Revised Code.

(H) Whoever violates division (B) of this section is guilty of operating a vehicle after underage alcohol consumption and shall be punished as follows:

(1) Except as otherwise provided in division (H)(2) of this section, the offender is guilty of a misdemeanor of the fourth degree. In addition to any other sanction imposed for the offense, the court shall impose a class six suspension of the offender's driver's license, commercial driver's

license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(6) of section 4510.02 of the Revised Code. The court may grant limited driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code. The court may grant unlimited driving privileges with an ignition interlock device relative to the suspension and may reduce the period of suspension as authorized under section 4510.022 of the Revised Code. If the court grants unlimited driving privileges under section 4510.022 of the Revised Code, the court shall suspend any jail term imposed under division (H)(1) of this section as required under that section.

(2) If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one or more violations of division (A) of this section or other equivalent offenses, the offender is guilty of a misdemeanor of the third degree. In addition to any other sanction imposed for the offense, the court shall impose a class four suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(4) of section 4510.02 of the Revised Code. The court may grant limited driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code.

(3) The offender shall provide the court with proof of financial responsibility as defined in section 4509.01 of the Revised Code. If the offender fails to provide that proof of financial responsibility, then, in addition to any other penalties provided by law, the court may order restitution pursuant to section 2929.28 of the Revised Code in an amount not exceeding five thousand dollars for any economic loss arising from an accident or collision that was the direct and proximate result of the offender's operation of the vehicle before, during, or after committing the violation of division (B) of this section.

(I)(1) No court shall sentence an offender to an alcohol treatment program under this section unless the treatment program complies with the minimum standards for alcohol treatment programs adopted under Chapter 5119. of the Revised Code by the director of mental health and addiction services.

(2) An offender who stays in a drivers' intervention program or in an alcohol treatment program under an order issued under this section shall pay the cost of the stay in the program. However, if the court determines that an offender who stays in an alcohol treatment program under an order issued

under this section is unable to pay the cost of the stay in the program, the court may order that the cost be paid from the court's indigent drivers' alcohol treatment fund.

(J) If a person whose driver's or commercial driver's license or permit or nonresident operating privilege is suspended under this section files an appeal regarding any aspect of the person's trial or sentence, the appeal itself does not stay the operation of the suspension.

(K) Division (A)(1)(j) of this section does not apply to a person who operates a vehicle, streetcar, or trackless trolley while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person's whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that division, if both of the following apply:

(1) The person obtained the controlled substance pursuant to a prescription issued by a licensed health professional authorized to prescribe drugs.

(2) The person injected, ingested, or inhaled the controlled substance in accordance with the health professional's directions.

(L) The prohibited concentrations of a controlled substance or a metabolite of a controlled substance listed in division (A)(1)(j) of this section also apply in a prosecution of a violation of division (D) of section 2923.16 of the Revised Code in the same manner as if the offender is being prosecuted for a prohibited concentration of alcohol.

(M) All terms defined in section 4510.01 of the Revised Code apply to this section. If the meaning of a term defined in section 4510.01 of the Revised Code conflicts with the meaning of the same term as defined in section 4501.01 or 4511.01 of the Revised Code, the term as defined in section 4510.01 of the Revised Code applies to this section.

(N)(1) The Ohio Traffic Rules in effect on January 1, 2004, as adopted by the supreme court under authority of section 2937.46 of the Revised Code, do not apply to felony violations of this section. Subject to division (N)(2) of this section, the Rules of Criminal Procedure apply to felony violations of this section.

(2) If, on or after January 1, 2004, the supreme court modifies the Ohio Traffic Rules to provide procedures to govern felony violations of this section, the modified rules shall apply to felony violations of this section.
