

Ohio Revised Code

Section 4561.05 Department of transportation to administer chapter - rules.

Effective: June 29, 2001

Legislation: House Bill 73 - 124th General Assembly

The department of transportation shall administer Chapter 4561. of the Revised Code. The department may adopt and promulgate such rules as it determines necessary to carry out this chapter.

The department may issue and amend orders, and make, promulgate, and amend, reasonable general and special rules and procedure, and establish minimum standards.

The department may establish safety rules governing air navigation hazards, and the location, size, use, and equipment of airports and landing areas, and rules governing air marking, the use of signs or lights designed to be visible from the air, and other air navigation facilities.

All rules and amendments thereto, prescribed by the department, shall conform to and coincide with, so far as possible, the "Civil Aeronautics Act of 1938," 52 Stat. 973, 49 U.S.C. 401, as amended, passed by the congress of the United States, and the air commerce regulations issued pursuant thereto.

All acts of the department authorized under this section shall be carried on in conformity with Chapter 119. of the Revised Code.
