

Ohio Revised Code

Section 4723.47 License suspension or revocation.

Effective: April 6, 2017

Legislation: House Bill 216 - 131st General Assembly

If an advanced practice registered nurse's license to practice nursing as a registered nurse lapses for failure to renew under section 4723.24 of the Revised Code, the nurse's license to practice nursing as an advanced practice registered nurse is lapsed until the license to practice nursing as a registered nurse is reinstated. If an advanced practice registered nurse's license to practice nursing as a registered nurse is classified as inactive under section 4723.24 of the Revised Code, the nurse's license to practice nursing as an advanced practice nurse is automatically classified as inactive while the license to practice nursing as a registered nurse remains inactive. If either license held by an advanced practice registered nurse is revoked under section 4723.28 or 4723.281 of the Revised Code, the other license is automatically revoked. If either license is suspended under section 4723.28 or 4728.281 of the Revised Code, the other license is automatically suspended while the suspension remains in effect.
